

## About

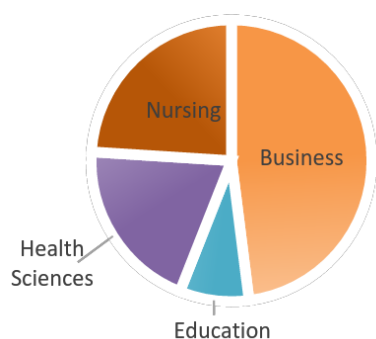

USU is a regionally accredited, student-centered university that empowers every student to succeed. We offer an accessible, nurturing and student-focused educational experience -- regardless of circumstance -- to anyone who desires progress in their personal or professional lives. Our diverse faculty forge personal relationships with students, mentoring them throughout their entire educational journey. With small class sizes, 24/7 access and support, and scholarship opportunities, USU is an inclusive community of learning dedicated to the personal and professional growth of our students and graduates.

**Mission:** United States University provides professional and personal educational opportunities, with a special outreach to underserved groups. Through campus and online courses, the University offers affordable, relevant and accessible undergraduate and graduate degree programs and certificates in a supportive student-centered learning environment.

## Colleges and Programs

USU offers eight degree programs and 19 certificates. Instructional delivery is provided online, onsite, and in hybrid format with an accelerated eight weeks session.
