RE: Application for Change in Educational Objectives – Application #32035  
Institution Code: 21381512

Dear Mr. Stargardter:

The Bureau for Private Postsecondary Education (Bureau) completed the review of your application for change in educational objectives, received on February 27, 2019. The review included your application and supporting documentation. The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

Approval to add the following program has been granted effective March 15, 2019:

- Bachelor of Science Information Technology

This approval is coterminous with the institution's term of accreditation granted by Western Association of Schools and Colleges (WASC).

Enclosed for your records is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional assistance on this matter, please contact Ben Graber at [benjamin.graber@dca.ca.gov](mailto:benjamin.graber@dca.ca.gov) or (916) 431-6962.

Sincerely,

JEFF MACKEY, Manager  
Licensing Unit
